TEREK'S DREAM - HELL'S ARENA

The arena is dark and dingy with a smoky haze all around. It is filled to capacity with SCREAMING and EXCITED fans.

A large Cage sits in the middle of the arena floor with bright red lights all around it.

There is a large dark hooded figure standing in the middle of the cage holding onto a large sickle his name is REAPER 40-70,.

THE LIGHTS SLOWLY BRIGHTEN

The fans, filling the arena are all prisoners of Hell; some are human having distorted bodies, while others have demonic features.

A FAN, previously killed in a car accident sits in the front row more dead than alive, his injuries have followed him even in death.

His intestines are slightly out and when he cheers his left eye pops out of his head forcing others to bend over and pick it up for him.

EXT. - HELL - CAGE - CONTINUOUS

There have been many battles to the death in this cage. Most of the floor tarp is stained with blood.

An eye hangs from it's tendons on the fence.
On the cage and floor padding is printed - (SOUL FEST)

CAGE SIDE - CONTINUOUS

Two former living commentators LEWIS 35-50, and RAY 35-50, are announcing the fight.

Lewis has a bullet wound in his forehead.

Ray has safety pins holding his head on at the neck because he was decapitated in life.

LEWIS

(Excited)

Here at cage side we are a pleasant
150 degrees with a gentle smell of
blood in the air.

Ray is getting his headset right and is pumped up for the fights.

RAY

That's right Lewis, I think I smell
blood my damn self. Hum, Hum, if
were lucky tonight we might just
get sprayed with some of that sweet
nectar!

LEWIS

I hear that! Let's go now to the
man of death himself, our own cage
announcer, Reaper!

INT. - HELL - CAGE - CONTINUOUS

Reaper is standing in the middle of the cage. His red eyes
are the only visible part of his face the rest is shrouded by
his black cape.

In one hand he has the microphone and in the other the large
sickle.

Reaper breathes deeply into the microphone in and out several
times ushering in an atmosphere of dread and fear.

REAPER

Now calling to the cage, Lucius-ss!

Reaper points to where Lucius is about to enter the arena.
The crowd turns their attentions to his arrival with an

EXUBERATE CHEER

EXT. - DARK CURTAIN - CONTINUOUS

On the curtains are the words - (SOUL FEST)

The son of Satan, LUCIUS 20-39, enters through the curtains
with smoke and bright spot lights.

LUCIUS is 6'2" tall and weighing 200-245# with an athletic
physique and muscles everywhere.

His face is that of a gargoyle or demon.

He walks to the cage sticking out his serpent tongue.

His corner man is ONE EYE 20-39, a giant muscular creature
with one large eye in the center of his forehead.

A troll carries in water bottles filled with blood.

Lucius is shaking hands and giving high fives all the way to cage side.

EXT. - HELL - CAGE SIDE - CONTINUOUS

LEWIS

Wow, does the dark lord's son
Lucius, look ready to fight or
what?

RAY

Yeah, he does and you can bet your
soul he's ready to kick some human
butt tonight!

The word (bet) triggers a bad memory in Lewis.

LEWIS

Yeah, I did bet that once, now I'm
Dammed forever... Man, I sure wish
I had that back!

Ray looks back over at Lewis shaking his head in disgust.

RAY

Dammed, yeah me too! Let's just say
someone's gambling problems better
be behind them.

Ray is giving Lewis an intense evil eye stare.

INT. - HELL-CAGE - CONTINUOUS

Reaper points to the curtains.

REAPER

(After several deep
breaths,)

Now coming to the cage... Merciless
Bob Martin-nn!

BOB MARTIN 25-40, a heavy weight athletic Afro-American
fighter comes out from behind the curtain looking like he is
determined to win no matter what the cost.

Bob Martin walks to the cage and stops; he looks around at
all the fans before he walks up the steps and into the cage.

INT. - HELL - CAGE - CONTINUOUS

Reaper waves both fighters into the center of the cage with his sickle.

REAPER

You both are aware there is 3
rounds of 5 minutes tap out or die!
If the human survives 3 rounds he
will be granted 2 souls! His own,
and one soul of his choosing.

Both fighters SHAKE their head in agreement.

Bob Martin looks out into the crowd.

INT. - CROWD

BOB MARTIN'S MOTHER 55-75, African American female is sitting next to a man holding his head in his arms.

She is pale white with large cuts on her wrists. She cheerfully waves.

INT. - CAGE - CONTINUOUS

After giving his mother the thumbs up Bob takes his fighting position as does Lucius to get the fight under way.

After making sure they are both ready Reaper signals for the bell.

THE BELL RINGS

REAPER

Let's dance!

SERIES OF SHOTS - LUCIUS AND BOB MARTIN FIGHT

A.) -- Bob establishes a left jab that moves Lucius back, he then shoots in and takes Lucius down with a double leg take down.

B.) -- Bob begins to ground and pound Lucius from inside his guard.

C.) -- Bob opens up a nice size cut on Lucius's forehead with an elbow which seems to give Lucius energy, he sweeps Bob over landing in the mounted position.

D.) -- Lucius begins to ground and pound Bob, hitting him in the head and chest.

E.) -- Bob switches to half-guard and then to guard position.

F.) -- Bob kicks Lucius away from him and stands up against the cage.

G.) -- Bob hits Lucius with a straight left punch and then a straight right punch followed up with an upper cut to Lucius's chin, Lucius is wobbly on his feet.

H.) -- Lucius fakes a superman punch and instead throws a powerful right leg kick to Bob's left leg which makes the sound of the BONE BREAKING!

I.) -- Bob collapses to the canvas as Lucius follows him down and continues to punch him even though Bob is trying to tap out.

CAGE SIDE - CONTINUOUS

RAY

I don't believe Lucius can see him tapping?

LEWIS

I think the Reaper is just about ready to stop this one.

CLOSE ON, Reaper is enjoying Bob Martin being beat to death.

Lucius's punches to Bob's face are spraying Bob's blood everywhere.

RAY

You know times like this; you almost need a corner man with a towel.

Ray wipes some of the blood off of the side of his face.

INT. - HELL - CAGE - CONTINUOUS

Bob Martin lies dead on the mat as Lucius stands up covered in Bob's blood to the CHEERS of the un-dead fans in hell's arena celebrating yet, another Lucius victory.

CAGE SIDE - CONTINUOUS

Both Lewis and Ray are still wiping the blood of Bob Martin off of themselves.

Several BLOOD SUCKING CREATURES come out and start licking Bob's blood off the canvas.

LEWIS

Wow, that was a hell of a beat down!

RAY

Hell yeah that was Lewis, just look at the marks it left on Bob Martin's face as he sits next to his post-suicide mother.

INT. - CROWD

Bob's spirit is sitting beside his mother, his face beaten in.

He is sullen and depressed over his loss and the prospect of being in hell forever.

INT. - HELL - CAGE - CONTINUOUS

Reaper while still holding the microphone points at the camera.

REAPER

Now calling to the cage, you-uu!

END TEREK'S DREAM

INT. - HOME - BEDROOM - NIGHT

TEREK 25-39, athletic male, good looking, half Asian wakes up suddenly freaking out.

TEREK

Holy shit! That was a freaking weird dream!
(Wiping his eyes)

His girl friend PATTY 25-35, is awakened by his reaction to a dream.

PATTY
Are you alright, baby?

Terek is profusely sweating.

TEREK
I'm fine, it was just a bad dream,
go back to sleep.

PATTY
You think it might be the title
defense that's messing with your
head?

TEREK
Nah, I can submit the guy with one
hand behind my back. It's something
else, I'm not sure what.

Terek rubs his face and Yawns.

PATTY
Maybe it's the lack of love making.

Patty flirts with Terek hinting at possibly engaging in sex.

Terek perks up for the thought of having a little sex before
going back to sleep.

PATTY (CONT'D)
Wait... sorry no, you're in
training.

Patty rolls over and covers up with a smirk on her face.

TEREK
(Upset)
Whatever, I'm going back to sleep.

Patty kisses Terek on the cheek and lies back down. Terek
takes a couple of seconds longer to calm down and goes back
to sleep.

Reaper is standing in the shadows of the room. His face is
covered up, but his red eyes stand out in the dark.

EXT/INT. - M.M.A. TRAINING CENTER-DAY

BANNER-(TEAM REVOLUTION)

The training center is filled with heavy bags, speed bags and
all kinds of slam dummies and various martial arts equipment.

Several fighters are working out on the heavy bags as JOHN AND JEFF are sparring trying to get ready for their future cage matches.

MEMBER OF TEAM REVOLUTION

JOHN 24, well built, tall athletic African American fights at #185

JEFF 22, 6' Caucasian male striker with good kicks fights at heavy weight

ROSS 26, Caucasian male police officer fights at #205

ADAM 28, Caucasian male 3 times defending state wrestler fights at #145

MIKE 23, Caucasian male striker and jujitsu fighter fights at #155

Terek comes walking in slowly still half asleep.

His father RICHARD 45-65, athletic Caucasian male, the senior martial arts instructor greets him.

RICHARD

Where the hell have you been?

TEREK

I haven't been sleeping very well.
I've been having these really crazy dreams.

RICHARD

What kind of dreams?

TEREK

I was in hell watching demons fight in a cage for peoples souls.

RICHARD

Demons?

TEREK

Yeah, I know it sounds crazy.

RICHARD

Maybe you better lay off those graphic video games.

TEREK

These were real demons, not like a video game demon.

(MORE)

TEREK (CONT'D)

...And I haven't been playing a lot of video games lately.

RICHARD

I know what your problems are; you haven't bumped uglies since you took this fight. So, I want you to go home make nice with Patty and take care of business, that way your head is on right and focused.

TEREK

Don't worry about my sex life you just get the rest of the guys into shape... By the way how are Adam and Mike shaping up?

RICHARD

Adam is more than ready, but Mike I don't know that last one was his 3rd lose. I hope we can keep his confidence up and his head out of his ass, and then he might just win a fight.

TEREK

Mike will be okay; he's been there before and came back. By the way, am I teaching classes tonight?

RICHARD

Yeah, don't you remember? I'm taking your mom out to eat tonight. She wants to go to some Korean restaurant in Cleveland.

TEREK

Oh yeah that's right, you did tell me that. You guys go and have fun I'll see you later dad. Oh, by the way tell mom I'll be stopping by tomorrow morning to see her.

RICHARD

For what?

TEREK

Did you forget your anniversary again?

RICHARD

Damn, is that this year?

TEREK

I think it might just be a yearly event.

RICHARD

I guess I better go grab some flowers quick.

TEREK

I would, if you're planning to get lucky with mom anytime in the future.

RICHARD

Thanks for reminding me, you saved my ass. The old couch is getting damn hard to sleep on. I'm off to the florist. Make sure you work these guys really hard I'm tired of them half assing their workouts.

TEREK

Please, nobody can hang with my work outs; they'll be in shape and ready to go by fight day.

Richard takes his clothes to the dressing room to change.

Terek is setting up boxing drill combinations as MR. SMITH 35-50, a dark sleazy character wearing a pin stripe suit walks in to the martial arts school.

Terek sees Mr. Smith and goes to greet him.

Mr. Smith is wearing a pin on his suit that is an arm punched through a human head.

TEREK (CONT'D)

What can I do for you, sir?

MR SMITH

I'm here for you, what I mean to say is I want to be your manager... I can take you places that you have never dream of.

TEREK

I have a manager already, so thanks, but no thanks. I have to get back to training now, so please show yourself out.

Terek starts to walk away.

MR SMITH

I can guarantee that you will stay
undefeated!

Richard WALKS up after changing.

RICHARD

You're crazy; no one can guarantee
a thing like that, unless there is
a fix in, and we don't play that
crap here. Hard work and good
technique that's what we are all
about. So, whatever you're selling
we ain't buying, now get out of my
school before I slap a knot in your
head!

Mr. Smith makes eye contact with Mike as Richard is helping
him out the door.

Within a second Mr. Smith knows how he can take advantage of
Mike and responds with a sinister grin.

MR SMITH

I'm leaving, but not because of
your weak attempt to threaten me. I
have already found who I want, I
mean what I need, and that will
suffice for now. But we will meet
again and things will be different.

Mr. Smith has an angry undertone to his demeanor.

RICHARD

How about now, I got a couple of
minutes, we can use the cage? That
is if you're feeling froggy.

Richard is making a fist.

RICHARD (CONT'D)

I ain't had toad soup in a long
time.

Mr. Smith doesn't understand what Richard is talking about.

MR SMITH

Amphibians are nothing more than a
nuisance.

Richard is getting disappointed.

RICHARD
(Disappointed)
Okay then, so it looks like we're
not fighting?

Realizing Mr. Smith is just full of hot air Richard opens the door and gives him a little assistance out the door.

All the fighters gather around Terek and Richard to find out what was going on.

ROSS
Who was that slime ball?

TEREK
Nobody, just some wantabe manager.

RICHARD
The more appropriate term would be
douche bag!

JOHN
Dude, I got a cold chill when that
cat came in; I'm telling you he is
bad news.

MIKE
Yeah, did you see the way he looked
at me? Kind of spooky.

TEREK
I wouldn't worry about that unless
you run into him again in the
showers.

EVERYBODY LAUGHS

JOHN
Just make sure if you do shower
with him, you have him use the
powdered soap.

MIKE
Why's that, John?

JOHN
It takes longer to pick up when he
drops it.

EVERYONE LAUGHS

MIKE

Keep it up and I'm going to knock
someone out tonight during
sparring!

TEREK

Enough, let's go easy on Mike.
Everyone get back to work.

EXT. - CIVIC CENTER - NIGHT

Marquee (M.M.A. CAGE MATCHES TONIGHT)

Hundreds of people are in line to get in for the fights.

INT. - CIVIC CENTER - CONTINUOUS

Lots of people wearing different fight team shirts including
TEAM REVOLUTION, walking around talking about the fights.

The Cage is sitting in the middle of the civic center with
bright lights and security all around.

HEAVY METAL MUSIC IS PLAYING LOUDLY.

INT. - DRESSING ROOMS - CONTINUOUS

The fighters are all dressed in TEAM REVOLUTION gear sitting
around trying to relax their minds for their fighters.

Ross and Jeff are standing in line to see the doctor for
their pre-fight physical.

Richard is walking around with a schedule trying to get the
fight order set.

Terek is sitting across from Mike wrapping his hands.

TEREK

Remember if you get the guy hurt
don't rush in with your hands down.

MIKE

Yeah, I got it. You don't have to
keep reminding me.

TEREK

Dude; you got your ass knocked out in your last two fights, by the same damn punch... Over,

MIKE

Over hand Right, okay already, my left hand is going to be glued to my head.

JOHN

You damn well better keep that left hand up, cause if you get knocked out again by a right hand, all I'm going to throw in class from now on, is over hand rights to your face.

Terek finishes taping Mike's right hand. Mike works the wrap real good.

The fight COORDINATOR comes in looking for Adam who is taped up and ready to fight.

COORDINATOR

Adam Simon and Brain Butcher we need you on stage now! Your fight is in 3 minutes!

TEREK

Dad, can you come over here and take over taping hands, I'm cornering Adam's fight?

Mike is holding the gauze with his finger for Terek.

RICHARD

Sure, and take Lewis as the other corner man.

Richard isn't paying any attention as he wraps both of Mike's hand together.

Most all the fighters follow Adam out of the dressing room to support him as he fights.

Richard looks for tape to finish the job.

MIKE

Hey coach...

Richard looks over at Mike's hands that are now wrapped together thinking it is somehow Mike's fault.

RICHARD
Well, how the hell are you going to
fight like that?

INT. - HALLWAY - CONTINUOUS

Mr. Smith is leaning against the wall unnoticed as everyone passes by. When Mike walks by Mr. Smith stops him to have a few words.

MR SMITH
I just want a minute of your time
and, then you can go watch your
friend fight.

MIKE
Okay, what do you want?

MR SMITH
I want to be your manager, and get
you that title you deserve.

MIKE
How are you going to do that?

MR SMITH
(Confident)
If you sign right now, I can
promise you, that you will win
tonight.

MIKE
I'm going to win because I've
trained hard and I'm ready, not
because you say so.

MR SMITH
If you don't sign you will be
knocked out in the 3rd round by a
kick.

MIKE
Bull shit, you're crazy, now get
out of here, you're wasting my
time.

MR SMITH
(Sinister laugh)
Very well, but too many more losses
and you can forget about your pro
career in M.M.A.

Mike pushes past Mr. Smith on his way to the stage.

Only Mike is depressed and sullen because he is the only fighter on the card who has loss tonight for the team.

All the fighters give Mike their condolences as they leave.

RICHARD

You did everything we ask you to do tonight; you've got no reason to hang your head low. It was just a damn lucky kick.

MIKE

I saw it coming! That's what pisses me off, I just couldn't move my arm up to block it.

RICHARD

I'm going to bring the car around to get the gear, you need a ride?

MIKE

No, I drove.

Richard leaves as Terek enters the dressing room with Patty.

RICHARD

(To Terek)

I'll be back in a minute with the car.

Richard LEAVES

Terek sits down on the bench beside Mike.

PATTY

Sorry Mike, you looked great out there. Shit happens man, that's the breaks.

Patty gives Mike a light hug of encouragement.

TEREK

Some times it isn't technique that we need to work on.

MIKE

What do you mean?

TEREK

I always get my spirit and my head right before I even take a fight. Then, I put everything to prayer.

MIKE

Yeah, maybe I have been living in the fast track. I think I'll take some time off, relax, and drink a whole hell of a lot of beer.

TEREK

Whatever man, we'll catch you later at the Diamond.

Patty and Terek leave

Mr. Smith is hiding behind the lockers and walks up to Mike after Patty and Terek have left.

MR SMITH

I see it went just as I predicted.

Mike JUMPS off the bench and puts Mr. Smith against the wall. Mr. Smith peels Mike's hands off of his shirt and straightens his tie.

MIKE

What did you do to me?

MR SMITH

I didn't do anything to you, I simply told you when, and how you would lose. Your mind did all the rest.

MIKE

I otta beat the hell out of you.

MR SMITH

I wouldn't if you plan on ever becoming the champion; I can make that happen for you. That is, if you will trust me?

Mike calms down a little and backs away.

MIKE

So, how the hell are you going to help me? Are you like some kind of fortune teller?

MR SMITH

It's a little more complicated than that, just sign the contract and make me your manager, and then I will tell you simply how to win each fight.

Mr. Smith pulls out the large contract.

Mike takes it from Mr. Smith and looks at its size.

(The contract is 300 plus pages in size.)

MIKE

I'm not sure about this, and
besides I don't have a pen?

Mr. Smith starts to put the contract away and Mike grabs it
out of his hands.

MIKE (CONT'D)

What if I don't win a title?

MR SMITH

Then, the contract is terminated
and you are a free agent.

Mike checks his clothes for something to write with. Mr.
Smith pulls out his ink pen.

MR SMITH (CONT'D)

Here use mine.

CLOSE ON, The pen is sharp and cuts Mike sending a drop of
blood onto the contract.

Mike is a little upset he got cut.

MIKE

Shit, your pen cut me, dude!

MR SMITH

Sorry my Bad, don't worry about
signing it, I'll get a new one
drawn up and you can sign it later.

MIKE

I want to fight again, soon!

MR SMITH

It is being arranged as we speak.

MIKE

And I want to keep training with my
team.

MR SMITH

I'm sorry, but that is no longer
an option. You will be training
with our team.

MIKE
I need my team.

MR SMITH
Do you need your team or do you
need a win?

MIKE
(After thinking)
I need to win.

MR SMITH
That's what I want to hear. I'll be
coming for you very soon to start
your training.

Mr. Smith walks back into the shower area and disappears.

Mike runs after him.

MIKE
You don't have my cell number.

Mike looks around, but Mr. Smith is no where to be found.

INT. - HELLS TRAINING CENTER - DAY

Lucius is working out, he has (three men tied together) like
a heavy bag and is punching them in a vigorous workout.

Mr. Smith walks into the workout room.

MR SMITH
Excuse the interruption sir, but I
have good news.

Lucius leaves the heavy bag, and then goes over to his speed
bag which is a man's head resembling HITLER.

The head is alive.

The heavy bag is still MOANING and GROANING from the violent
workout.

Lucius begins to punch on the head in the face.

LUCIUS
So what's the good news, did you
sign Terek?

MR SMITH

No, but I'm working on it. I did however sign one of his team mates to a contract.

LUCIUS

Good, but you just better make sure I get a day with Terek in the cage!

Lucius walks away from the speed bag; the head is still very dizzy.

MR SMITH

Yes, sir.

Lucius walks over and sits on a guy's chest and drills his armbar, every time he executes the armbar he breaks one of the man's bones in his arms.

After performing several armbars Lucius notices Mr. Smith hasn't left.

LUCIUS

Why are you still here?

Mr. Smith POINTS to the guy on the floor.

MR SMITH

He drove me here!

Lucius gets off the DRIVER and let's him try unsuccessfully to get to his feet, with both arms are severely broken.

The man even tries to use his head to get to his feet without success. Annoyed, Lucius helps the man to his feet.

Nervous, the man goes back and tries to pick up his hat, but can't do it with his fractured arms.

After watching the man try for several seconds an irritated Lucius picks up the hat and puts it on his head for him.

Lucius throws the keys to Mr. Smith.

LUCIUS

Maybe; you better drive?

INT. - HELLS SPORTS NETWORK - STUDIO - NIGHT

The set up in the studio is similar to that of ESPN. Seated at the front desk is JIM GRIMLY, he has a bandage across his nose.

GRIMLY

Hello, and welcome to another addition of Hell's sport's network! I'm your host, Jim Grimly. Hell recently picked up three new members for its male basketball team with a fortunate bus accident by the Pistons. Here is Jeff with one of our new stars,

INT. - HELL-BASKETBALL - COURT SIDE - CONTINUOUS

A tall BASKETBALL PLAYER 25-35, African American has a tire imprinted across his slightly deformed head.

He is very confused as to what happened.

JEFF, the announcer starts the interview.

JEFF

Now that you are a member of team death what are your predictions for the up coming season?

BASKETBALL PLAYER

What happened? The last thing I remember our bus was going around a truck.

JEFF

Fortunately for us you and several of your team members were killed last night.

His former team mates are sitting on the bench with Piston jersey's on. One of them is missing an eye and the other one is holding his arm in his lap.

Reporter Jeff talks with a basketball player.

JEFF (CONT'D)

Do you have anything to say to your fans here in hell?

BASKETBALL PLAYER

This isn't right! I need to talk with my manager Mr. Smith; this wasn't in my contract.

JEFF

(Laughs)

That's what they all say...

INT. - HELLS SPORTS NETWORK - STUDIO - NIGHT

Announcer Grimly is holding several sheets of paper in his hands.

GRIMLY

In other news today, M.M.A. Fighter CRAZY Mike Myers from the Team Revolution has recently signed an eternal damnation contract with Hell's own Team Torture! We spoke earlier with Team Torture's own Lucius, son of the dark Lord.

INTERVIEW FOOTAGE:

Lucius is being interviewed by Grimly.

GRIMLY

With the recent signing of Mike Myers, your team will be on its way to being one of the best teams in Hell and on Earth.

LUCIUS

Well, as you know you're not the best until you fight the best, so we are working hard behind the scenes to get a match with Earth's own, Team Revolution!

The AUDIENCE In the background is YELLING and going CRAZY when they hear the fight announcement.

GRIMLY

Well, we are certainly looking forward to that match up! Their leader Terek is considered to be the best pound for pound fighter in existence.

LUCIUS

He was the best pound for pound!

GRIMLY

No, he still is!

LUCIUS

No, he was!
(Getting very angry)

GRIMLY

He is!

LUCIUS
Say it one more time and I will
slap the nose off your face!

GRIMLY
I'm just saying you haven't beaten
him yet.

Lucius slaps Grimly in the face knocking his nose off his
face.

INTERVIEW FOOTAGE ENDS:

INT. - HELLS SPORTS NETWORK - STUDIO - CONTINUOUS

Grimly is adjusting the bandage holding his nose on.

GRIMLY
(High pitched)
Lucius is such a jokester!

Grimly sneezes and his nose flies off.

GRIMLY (CONT'D)
(High pitched)
Could someone get that for me? Well
that's all the time we have tonight
stay tune for more updates as they
come in.

INT. - M.M.A. TRAINING CENTER - DAY

John, Jeff, Adam, Ross and Terek are drilling take downs and
punches with Richard coaching them. They are all very sweaty
and tired.

THE TIMER BUSSES

RICHARD
Time! That's it for tonight, be
back here tomorrow at 10:00 for
sparring practice.

Due to exhaustion the guys are slowly moving off of the mat.

TEREK
Anyone seen Mike?

JOHN
I text him twice yesterday and he
didn't text me back.

JEFF

Yeah, I called his cell before I came over and no answer.

ROSS

Sometimes, people take losses differently; maybe he just needs some time away.

TEREK

I'll give him a couple of days, and then I'm going to drag his butt back in here.

Patty walks in to meet up with Terek.

PATTY

Hey, guys!

ALL THE GUYS RESPOND-"WHAT'S UP? HEY, PATTY.

Terek walks over and kisses Patty.

Then, Terek tries to hug her, she pushes him away, but he hugs her anyway with his sweat soaked clothing on.

PATTY

Asshole, I just showered and got ready so we can go out!

TEREK

Its okay baby, you can wear my shirt instead.

Terek takes his shirt off and tries to hand it to her.

PATTY

Don't give me that stinky thing!

Jeff pulls his supporter off and throws it toward Patty.

JEFF

Patty catch!

Patty reacts by catching it, then dropping it when she realizes what it is.

PATTY

(Screams)

You guys are all the same, pigs!
Now my hand is going to smell like
sweaty balls and ass.

Patty leaves to go wash her contaminated hand.

SUPER - 1 WEEK LATER

EXT. - NIGHT CLUB - NIGHT

Jeff, JEFF'S GIRLFRIEND, Terek and Patty, John, JOHN'S WIFE are all walking into the club just as Mike and Mr. Smith are walking out.

TEREK

Mike, where have you been, dude?

MIKE

I made some changes.

JOHN

What kind of changes?

JEFF

Did you quit the team or what, man?

MIKE

I had too; I was on a losing streak straight to the bottom.

TEREK

And with more training and a little confidence you would have been on your way back up and winning again.

MIKE

Since, I signed with Mr. Smith I got my first win in 9 months, yesterday as a matter of fact by TKO.

TEREK

Congratulations, but you still don't have to turn your back on your friends.

MR.SMITH

My fighter needs to be going, now if you will excuse us we have business to attend to else where.

Mr. Smith starts pulling Mike away, so John grabs Mr. Smith by the arm.

JOHN
Slow your roll, grown ups are
talking here!

MR SMITH
Remove your hand, now!

MIKE
Its okay, I'm fighting again next
week at Cage Fear, and I'll see you
there and we can talk again.

John is staring at Mr. Smith when, Mr. Smith reveals his true
demonic features, but only to John.

CLOSE ON, Mr. Smith as a hideous demon

John FREAKS OUT and lets go of Mr. Smith's arm.

Mr. Smith and Mike walk toward a dark sedan that has just
pulled up.

JOHN
Did you guy's see that?

TEREK
What, see what John?

JOHN
Mr. Smith's face, man! That cat is
a demon or the devil himself!

PATTY
I'm sure he's shady, but a demon?

JOHN
I'm telling you what I saw; I know
it sounds crazy. For a second it
was like looking at my worst
nightmare.

JEFF
Okay, John we believe you, Mr.
Smith is the boogie man. Now let's
go get a beer and forget about it.

PATTY
Just make sure when you go home
tonight John that you leave the
light on and check under the bed.

Everyone is LAUGHING at John as they start walking into the
club.

TEREK

Come on guys, let's cut John some slack he has been cutting a lot of weight for this fight.

John is still arguing his case for what he saw as they enter the club.

JOHN

I know what I saw man, and it wasn't human. In fact it looked a lot like that last girl Jeff was dating.

Jeff gets mad and goes after John who runs into the night club.

Patty looks back over her shoulder as Mike and Mr. Smith get into a dark sedan.

TEREK

What's the matter?

PATTY

That dude was such an asshole.

TEREK

You seem to have put a lot of people in that category lately.

PATTY

You otta know, you're at the top of the list most days.

TEREK

Well, how do I get off that list?

The light highlights how attractive Patty is, and he takes notice.

TEREK (CONT'D)

By the way did I mention how smoking hot you look tonight?

PATTY

Okay, keep it up that's a good start.

(Smiles)

You're dropping down the list fast, baby.

Terek starts passionately kissing her neck, turning her on.

PATTY (CONT'D)
 Good follow up, now buy me a drink
 and you're off the A-list and on
 the get lucky tonight list.

TEREK
 Did I mention I was in training for
 a fight?

Patty grabs Terek by the shirt.

PATTY
 If you plan on finishing him in the
 first round then you won't have to
 worry about your stamina.

Patty kisses him and they enter the Night Club.

TEREK
 Oh yeah, he's a dead man, first
 round...

SUPER- 1 WEEK LATER: (CAGE FEAR)

INT. - ARENA - NIGHT

The arena is packed with screaming fans. Terek and all the
 members of Team Revolution except Mike, who is fighting in
 the cage, are sitting at ring side.

INT. - CAGE - CONTINUOUS

Mike is fighting like a man possessed hitting his opponent
 with punches and elbows from the side mount.

Mike passes to the mount and continues to rain down punches
 until the referee steps in and stops the fight.

Mike jumps up onto the side of the cage to celebrate.

EXT. - CAGE SIDE - CONTINUOUS

Terek and most of team Revolution are happy for Mike's win.

TEREK
 (To Team mates)
 Maybe Mike did need to change
 things up a little. Something seems
 to be working for him.

Terek and his team stand by the opening of the cage to congratulate Mike.

When the cage door opens Mike walks right past his former team ignoring their congratulations.

Mike's two corners quickly rush Mike back to the locker room.

One of the corners in reality is ONE EYE and he briefly reveals himself to John.

JOHN
(Shocked)
What the Hell, I know you all saw
that shit now!
(Looks around)

Everyone has no clue what he is talking about.

JOHN (CONT'D)
I'm telling you there's some kind
of crazy bullshit going on up in
here... I'm seeing demons!

TEREK
Let's give Mike some time; you
don't break up friendships just
over changing fight camps.

Jeff and Adam give each other a look of who cares about Mike anymore.

ADAM
Let's go! Screw him if he wants to
be a dickhead!

INT. - DRESSING ROOM - CONTINUOUS

Mike is sitting in a chair getting his old hand wraps cut off by One Eye.

With demons all around Mike can't see what they really are.

MIKE
That's two fights in a row that I
didn't even get hit once, that's
kind of strange.

MR SMITH
Not really, you're under our
protection.
(MORE)

MR SMITH (CONT'D)
Besides you are the best out there
in the division, and with two more
fights you'll be champion.
(Evil smile)

MIKE
Yeah, you're right; I'm the best
out there!
(Arrogant)

HEAVY BAG 1
It's your turn to get hit,

HEAVY BAG 2
No it's your turn, I took the knees
earlier today, and I do believe it
is your turn.

Lucius begins kicking the heavy bag, which has different
MOANS after each kick.

LUCIUS
(To Mr. Smith)
How is the plan going?

MR.SMITH
As expected, Mike is fighting for
the #155 title in a week on the
same card as Terek who will be
defending his #170 title. Right
after the fight I will close out
Mike's contract and he can begin
his training with team Torture.

LUCIUS
Excellent! Make sure Terek follows
you after the fight. Uh; give him a
little something extra to motivate
him.

MR SMITH
I already have something in mind
that will provide the proper
stimuli for a truly exciting match.

LUCIUS
Good, now send in my team on your
way out.

Mr. Smith leaves and in a couple of seconds members of Team
Torture enter the training room. They range from #155 to #205
each more evil than the last.

The Head reacts to the team coming back in to train.

HEAD

The arena is packed with three thousand M.M.A. Fans. Multiple camera crews are around the cage doing interviews with the fighters.

EXT. - CAGE - CONTINUOUS

Terek is being interviewed by M.M.A. Weekly for their next magazine cover.

STEVE

Terek, your opponent for this your 6th title defense is a very strong Ryan Thomas. What have you done differently to prepare for this fight?

TEREK

First off, I want to say Ryan is a great fighter and deserves to get this title shot.

STEVE

So there is no bad blood between you two?

TEREK

No, not at all, he is a very good fighter. I have respect for all my opponents; if they weren't skilled they wouldn't be here.

STEVE

What would you say to Ryan going into this fight?

TEREK

I hope you trained hard for this fight, because I want to see your best in the cage.

STEVE

I don't know about you sitting at home, but I can't wait to see the fireworks in this cage tonight! Good luck Terek.

TEREK

Thanks Steve.
(Shakes his hand)

Mike is standing by waiting for his turn to be interviewed.
Mr. Smith is whispering into his ear.

STEVE

With us also tonight is Crazy Mike Myers.

THE CROWD APPLAUDS

TEREK

(To Mike)
How have you been, Mike?

Terek tries to shake Mike's hand, but Mike refuses.

MIKE

After I win the #155 belt tonight, I'm moving up in weight and coming after your #170 belt.

TEREK

What's going on Mike we're friends?

MIKE

I thought we were until I came to realize you were just holding me back.

TEREK

Come on Mike, let's go somewhere
else and talk about it.

Mike pushes him away.

MIKE

Hell, I might even kick your ass
tonight after I take the belt from
Sanchez.

Terek gets mad and wants to kick Mike's butt.

Patty quickly comes over and pulls Terek away from Mike.

PATTY

Come on Terek, let's go, Mike's not
your friend anymore, he's just a
first rate asshole.

STEVE

Come on over here Mike and sit
down.

Mike walks over and sits down in front of the camera next to
Steve; he is full of his own self worth and arrogance.

STEVE (CONT'D)

Its sounds like you guys have had a
parting of the ways?

MIKE

You could say that, I finally
realized that I was wasting my time
in Terek's shadow, when I should
have been getting what's mine.

STEVE

So you are going to be going after
Terek's belt, that is if he retains
it tonight?

Terek and Patty are walking away from the cage disappointed
in their old friend.

EXT. - DRESSING ROOM - CONTINUOUS

Terek stops to listen to Mike's comments.

MIKE O.S.

I'm not only going after it, but I
plan on sending Terek into early
retirement.

Terek shakes his head and is getting madder by the second.

PATTY

You have to forget about him for
now and focus on your fight later.

Patty grabs his arm and takes him into the dressing room.

INT. - DRESSING ROOM - CONTINUOUS

All the members of Team Revolution are standing there staring at the monitor as Mike is giving his interview.

Richard notices Terek and Patty entering the dressing room.

RICHARD

Turn that cramp off! We all need to
get focused on our fights tonight.
We don't need those distractions.

ADAM

Man, did you hear the cramp that is
coming out of Mike's mouth?

JOHN

I should go over to the blue
dressing room and kick his ass
right now!

TEREK

Let me handle Mike and the rest of
you get your heads focused on your
own fights!

Richard has his equipment ready to start wrapping hands. He looks at the fight schedule.

RICHARD

Jeff, have a seat you're the 3rd

ROSS

I can't believe he took all those head shots like they were nothing. I've sparred with Sanchez and he made me see stars every time he hit me.

Terek is in the corner praying as he does every fight.

The fight coordinator comes into the dressing room.

COORDINATOR
Terek, you're needed on stage.

RICHARD
Okay, Terek let's go show the crowd
why you're the champ!

Terek gets up and his team huddles around for support.
They leave the dressing room.

Now calling to the cage, Terek, the
Samurai Killer, Matthews!

Terek steps into the smoke and lights with Richard and his team mates close behind.

Terek and his team walk down to the cage where Terek's opponent is already waiting.

Someone wearing white in the crowd TOUCHES Terek as he passes by.

Terek looks over and sees Lewis and Ray as they really are (Demons) commenting on the fight.

TEREK'S VIEW:

LEWIS
If you're just tuning in, welcome
again to another addition of M.M.A.
Brought to you by Hell's Sports
Network.

RAY
We have our main event coming up
between Terek Matthews and Ryan
Thomas.

LEWIS
What a fight that is going to be
Ray, I can't wait to get this one
going.

Terek can't believe what he is hearing and seeing.

After being checked by the referee and having Richard apply Vaseline, Terek starts to enter the cage, he stops and turns to Richard.

TEREK

Do you see those demons over there
commenting on my fight?

Richard looks, but can't see anything out of the ordinary,
just two normal sports commentators.

RICHARD

Sorry, I don't see anything.

Terek is trying to shake off what he is seeing and even
wiping his eyes. He turns and enters into the cage.

The door closes behind him.

EXT. - CAGE - CONTINUOUS

Lewis and Ray welcome Mr. Smith at their table.

In the background the announcer is doing final introductions

LEWIS

Wow! They sure do love their

RAY

I think you have to admire his
skill in every area of the game.

LEWIS

Terek's ground game is like a work of art.

RAY

I'll say, with 15 of his wins coming by way of submission, and 10 by knockout.

MR SMITH

I think what is more impressive is his team as a whole, with each member winning almost 90% of their fights.

The referee gets the fighters in position and ready to fight.

LEWIS

I'm so excited I get to leave hell and be ringside for this one!

Terek turns and looks at Lewis after his statement in disbelief.

almost got knocked out!

TEREK

Mr. Smith really is a demon, I saw
his face!

Richard is icing down Terek and using an End Swell on his right eye.

RICHARD

I don't care if he is the devil
himself, you get your act together
and submit this guy before you get
your ass knocked out!

Richard hands Terek a bottle of water, when he does Terek touches him on the shoulder.

CLOSE ON, Terek touches Richard on the shoulder.

This time when Richard looks over at the commentators, he can see Lewis and Ray as they really are.

Richard is now in shock, he can't believe what he has seen.

The WHISTLE BLOWS to get out of the cage.

TEREK

Get out of the cage dad!
(Pushes him)
You're going to get a point taken
away from me!

Richard leaves the cage as the Referee positions the fighters.

REFEREE

Let's fight!

Ryan comes out throwing a hard loopy right hand.

Terek ducks the punch and shoots in for a double leg take down.

Terek quickly passes the guard of Ryan who is hanging on from the bottom.

EXT. - CAGE - CONTINUOUS

Lucius takes a seat beside Lewis and Ray for a cage side interview.

AS THEY REALLY ARE-

RAY

We have a real treat for all of you sweating it out in hell tonight, Lucius; son of the Master has just joined us at ringside. Welcome Dark Lord Lucius.

LUCIUS

It's great to be here!

LEWIS

How do you feel this fight is going so far?

LUCIUS

Well to tell you the truth, something I'm not use too; it seems Terek is having a little trouble focusing.

RAY

Yeah, I've noticed even his corner is having trouble keeping his mind on the fight tonight.

In the back ground Ryan rolls Terek off the mount.

LEWIS

This Ryan is no joke, he is here to fight!

INT. - CAGE - CONTINUOUS

Both fights are now back to their feet trading punches and kicks.

LUCIUS O.S.
I don't think this is a good idea
for Terek who is much better on the
ground.

Ryan attempts a take down, but Terek sprawls.

They come up to their feet when Terek falls to the ground
holding onto Ryan's arm in a falling armbar... Forcing Ryan
to tapout.

Terek runs around the cage with his hands raised.

LUCIUS O.S. (CONT'D)
That was incredible! I'm going back
to hell tonight and practice that
move a hundred times.

INT. - HELLS TRAINING CENTER - CONTINUOUS

There are several men chained against the wall with a SIGN
above them that reads:

(TRAINING DUMMIES)

The dummies are all watching a small TV in a happy mood until
they hear:

LUCIUS V.O.
Hell, I may even practice that move
all night!

DUMMIE 1, with his fingers and arms are deformed from
multiple fractures. His left index finger is in a circle,
like he is holding a pool stick.

He turns to look at DUMMIE 2 and says;

DUMMIE 1
You would never know I was a piano
teacher, would you?

DUMMIE 2
Piano teacher, No way dude; I
thought you were some kind of pool
hustler, you know like the dude in
the movie (Color of Money)...Hey,
go ahead dude guess what I use to
do?

DUMMIE 2 starts acting like he is having sex from behind.

DUMMIE 1
You were a porn star!

DUMMIE 2
No, I got you dude, I was a professional rower, 2 time world champion and Olympic gold medalist.

DUMMIE 1
So, how the hell, do you end up in hell?

DUMMIE 2
After a hard day on the lake rowing I came home and found my wife with another dude. She was like taking it from behind, so I had no choice. I smoked 3 blunts and pumped 20 rounds in their asses while they were doing it!

DUMMIE 1
Sorry to hear that your wife was cheating on you.

Another DUMMIE 3 on the end is now acting like he is rowing as well.

DUMMIE 1 (CONT'D)
Hey, that guy must have been on your rowing team too.

DUMMIE 2
No man, that's the dude that was doing my wife!

INT/EXT. - CAGE - CONTINUOUS

PATTY
Wow, that was a tuff one. Are you alright baby?

TEREK
I'm fine; you know I got a hard
head.

RICHARD
(Sarcastically)
Yeah, I know that's right!

Mr. Smith and three large men are dragging Mike out the
building.

RICHARD (CONT'D)
Do you guys see that?

TEREK
See, what?

RICHARD
Some guys along with that Mr. Smith
just drug Mike out the back doors.

TEREK
Let's go check it out!

Everyone reluctantly follows Terek to the back doors.

EXT. - PARKING LOT - CONTINUOUS

Two LARGE MEN force Mike into the back seat of a car and
drive off.

guys are a little reluctant to give chase.

TEREK
(To team members)
Come on guys! What the hells the
problem?

JOHN

Hell is the problem! Those people with Mike are something straight out of a horror movie!

RICHARD

Mike might have been a shit head for the last couple of months, but we can't let them have him.

ROSS

How do we know that's even Mike? It could be some kind of zombie demon or something like that?

JEFF

Yeah, maybe it ate Mike's soul and if we follow them they'll get ours as well.

TEREK

Enough, we are the badest cage fighting team on the planet! Now, are we going to let some 2nd rate demons scare us off?

The team starts to analyze the situation

RICHARD

Well, I don't know about you sissy's, but I'm in, let's go kick some demon ass.

The team is embarrassed that Richard is braver then they are and agrees to help, SHOUTS- "HELL YEAH!"

TEREK

Sorry dad, I need you to look after Patty right now. I'll call you the second we find out where they have taken Mike.

RICHARD

(Upset at first)

Alright, I need to get my bible anyway, and some other things we might need to fight these creatures.

Richard leaves and goes back into the building.

TEREK

Let's do this!

They all run to the car and get in and drive off in pursuit of the demon's car with Mike in it.

INT. - CAR - CONTINUOUS

Terek is driving with John in the passenger seat. Adam, Jeff and Ross are sitting in the back seat.

Adam leans forward to talk with Terek.

ADAM

I hate to ask, but does anybody
know how to defeat a demon?

Terek and John look at each other, then John says;

JOHN

You just punch it in the face and
knock it's ass out!

ROSS

What if that doesn't work?

TEREK

Then, we all run like hell, and
hope my dad comes up with
something.

EVERYONE AGREES

EXT. - SMALL BAR - CONTINUOUS

Mr. Smith's car with Mike in it pulls up next to a very small country bar. The Demons drag Mike out of the back seat and into the bar.

INT. - BAR - CONTINUOUS

The second they enter the bar Mike's eyes are open and he can see reality again. Everyone is staring at Mike with red evil eyes.

AT THE BAR, Two demons are drinking.

1 - DEMON is drinking beer and as he sips, it leaks out from the gun shot wound in his chest.

2 - DEMON, while drinking turns around and the beer is coming out of one of his eye sockets because his eye is missing.

AT THE STAGE, 3 GIRLS dancing all have committed suicide in the past. They all have large lacerations on the wrists. And when they smile their rotten teeth show.

Mr. Smith waves two other LARGE DEMONS over to escort Mike.

MR SMITH

Before your training starts we will
take you to meet your new team
mates. Look there is one of them
now.

DOG, A Demon with Dog like features is lapping a mixed drink from a cup, as Mike and Mr. Smith look on.

MIKE

You're crazy, there is no way I'm
fighting on a team with a bunch of
freaks.

The two large Demons begin to GROWL at Mike.

MR SMITH

Everyone says that at first.
(To the demons)
Take him to the team room; the Dark
Lord will have a talk with him
later.

While they are taking Mike away some of the female Demon strippers try to come onto to him.

He is repulsed and almost vomits when one of them tries to put her serpent tongue down his throat.

INT. - CAR - CONTINUOUS

Terek and the team drive by the small bar and notice that Mr. Smith's car is parked along the side of the building.

JOHN

There it is!

John points to the car.

Dark Sedan is sitting empty at the side of the building.

INT. - CAR - CONTINUOUS

TEREK

I see it!

They pull next to Mr. Smith's car and exit the vehicle.

EXT. - CAR - CONTINUOUS

COUNTRY MUSIC IS PLAYING LOUDLY.

They walk toward the front of the small bar.

EXT. - BAR - CONTINUOUS

The bar has a very slimy appearance. It's run down and unkept.

They all stop for a second to survey the scene for dangers.

John looks at Adam who is wearing a cowboy hat.

JOHN
I knew that country music shit was
created by the devil.

RAP MUSIC BEGINS TO PLAY

Adam smiles as if country music has just been vindicated.

JOHN
Whatever man...

They all stop at the door hesitating to go in. Terek walks past them and opens the door and they follow him into the bar.

INT. - BAR - CONTINUOUS

When they enter the bar they are quickly surrounded by large Demons. The team immediately gets into their defensive fighting stances and prepares to fight.

RALPH, a large Demon is the closest to Terek and acts like he is ready to fight.

Ralph then relaxes and quickly pulls out a pin and a picture of Terek.

RALPH
Mr. Terek, could you please give me
your autograph?

All the rest of the demons in the room pull out their pen and paper as well.

The team just looks at each other in amazement.

While they are giving out autographs to all the demons Mr. Smith enters the bar from a door in the back.

MR SMITH

(Angry over bad help)

What in hell's name is going on here! Does anybody want to do their job or do you all want to spend some more time in the bottomless pit!

The Demons reluctantly grab team Revolution members.

MR SMITH (CONT'D)

That's better!

TEREK

We want Mike back, now!

MR SMITH

Or what?

JOHN

Or we start kicking some demon ass, that's what's up!

MR SMITH

Well, then we might just have a problem. You see Mike now belongs to us based on his contract.

TEREK

What kind of contract?

MR SMITH

(Can't believe he doesn't get it)

A life contract, we helped him win a title and then he serves hell for the rest of eternity.

TEREK

I'm sure you tricked him.

MR SMITH

And what's your point?

TEREK

It's not right, and we want him
back.

The demons all start sweating as the room suddenly gets very
warm.

Lucius enters the bar from the door in the rear of bar.

LUCIUS

Please excuse me for listening in
on your conversation, but I
couldn't help but over hear your
little problem. You say Mr. Smith
here, cheated your friend out of
his soul?

TEREK

Who the hell are you?

LUCIUS

Most people refer to me as the Son
of the Dark lord, but you can call
me, Lucius.

TEREK

Well Lucius, we want to see Mike
and take him home!

ADAM

Yeah, and we're going to kick some
demon ass if we don't get him back,
right now!

LUCIUS

Such hostility! I can see why you
have such a good record.

TEREK

Like Adam said; we want Mike back
and then we'll leave and never come
back, okay?

LUCIUS

We'll he is under contract.
(Looks at Mr. Smith)

Mr. Smith shows him the contract.

LUCIUS (CONT'D)

Perhaps we might work something
out. Let's say my team against your
team?

ROSS
What would demons know about M.M.A.
Anyway?

Lucius smiles

Lucius then grabs a large demon standing nearby and throws him, landing in an armbar and breaks his arm completely off.

The members of Team Revolution are all in shock.

Lucius stands up with the demon's arm still in his hands.

The Demon slowly stands up, and looks at his arm in Lucius's hands. Lucius tries to hand the demon his arm, but drops it.

Awkwardly, Lucius picks it up and again hands it to him.

LUCIUS
(To demon)
My bad!
(To Terek)
What do you say? Three weeks from
now, right here 7:00 PM?

Lewis and Ray come bursting into the room with the TV cameras rolling.

LEWIS
Holy hell! Can you believe this
historic match up is really going
to take place, Ray? Right here in
Hell's back yard?

RAY
Quickly pinch me Lewis I think I'm
in heaven!

Lewis pinches him for screwing up in front of the Dark Lord.

RAY (CONT'D)
Ouch,
(Looks at Lewis)
Oh, I meant hell!

LEWIS
Let's get Lucius's comments on the
making of this historic match up.

They push their way over and try and talk with Lucius.

LUCIUS
(Yells at them)
Not yet!

Lucius pushes them back and turns his attention to team Revolution.

LUCIUS (CONT'D)
Do we have a match?

TEREK
If we win three out of the five matches we get Mike back, right?

LUCIUS
Yeah, and I won't even take the soul of anyone who loses his fight.

TEREK
Only M.M.A rules. Three, 5 minute rounds, no eye gouging, biting, groin attacks kicking or kneeing a down opponent, or killing anyone!

ROSS
I don't know about this Terek, it's a little too crazy. Besides we could get hurt.

LUCIUS
What are you chicken, hum?

Several chickens enter the bar.

LUCIUS (CONT'D)
(He starts making chicken sounds)
(To Ross)
Oh look, that one looks just like your mother!

ROSS
(Angrily)
Okay, bitch you asked for it!
(Looks at Terek)
Count me in; I'm going to enjoy slapping that silly grin off of daddy's little boy's face.

LUCIUS
(Smiling)
Sometimes it's just too easy!
(To the demons)
Let them go.
(To Terek)
(MORE)

LUCIUS (CONT'D)

Be here in three weeks 7:00 PM and
be ready to fight if you ever want
to see your friend again.

The team begins to slowly make their way to the exit.

Lewis and Ray along with the cameraman are waiting for the
okay to interview Lucius.

LUCIUS (CONT'D)

Alright already, get over here and
do my interview!

They quickly surround him.

LEWIS

There you have it demons, trolls
and the un-dead! The team challenge
of the millennium, Hell's own Team
Torture verses the best team on
Earth, Team Revolution!

MIKE

Man, I know your dead, but this has
got to hurt.

Head is flinching every time Mike starts to punch.

HEAD

Just do it man, and get it over
with! You're messing with my mind!

Mike begins using the head as speed bag. Mike looks over and
sees Lucky leaving the treadmill.

MIKE

Later Head thing, I need to run a
little to clear my own mind.

Mike walks away as the Head is moving his nose around to see
if it is still straight.

As Head is about to relax Lucius walks up and starts punching
him.

SUPER - LAST DAY OF TRAINING
EARTH:

INT. - M.M.A. TRAINING CENTER - DAY

John is leaving with his gym bag as Richard is coming in with
a bag full of stuff.

RICHARD

I got a bunch of stuff you might
need tomorrow.

JOHN

I got to go pick up my girl right
now, but I'll catch up with you
tomorrow before we go to the
fights.

John leaves

Richard walks into the gym area and sits his bag of stuff on
the bench.

TEREK

What's in the bag dad?

RICHARD
Weapons to use against the demons
and anything else you might have to
fight.

Richard pulls out a couple of bottles of holy water.

TEREK
Come on Dad, holy water?

Both Adam and Ross quickly grab a bottle.

JOSHUA
I want one of those too!

Richard tosses him a bottle of holy water.

JOSHUA (CONT'D)
What else you got?

Richard pulls out several crosses and a Rosary.

Terek digs into Richard's bag and pulls out a silver bullet.

TEREK
Really dad, a silver bullet? What
do you think we're fighting
vampires?

RICHARD
Maybe, who knows, one thing for
sure we better be ready for
whatever we might face tomorrow.

TEREK
Do you think you might be over
doing it?

RICHARD
Not a chance, by the way I have
some garlic gum, anybody want some?

Everyone raises their hands except Terek.

RICHARD (CONT'D)
(Looks at Terek)
I rest my case!

SUPER - FIGHT DAY

EXT. - BAR - NIGHT

Everyone is standing outside preparing to go in.

RICHARD

Are you sure this is the place, it looks a little small?

JOHN

That's what the head of the demons said; right guys?

ROSS

(Upset)

Yeah, right before he called in his pet chickens.

RICHARD

You should have told me, I didn't bring anything to fight against demon chickens.

TEREK

Enough about those stupid chickens let's just go in and kick some demon butt and then go home.

ADAM

Amen, to that bro.

They enter into the door

INT. - BAR - CONTINUOUS

The small bar is packed full of people waiting to see a sporting event on the monitors.

MONITOR- (Hell's Sports Network)

At the sports desk seats Jim Grimly.

JIM GRIMLY

Welcome back to another addition of Hell's Sports Center. First off let me tell you I am excited and pumped for tonight cage fighting event. It pits the human's best M.M.A. Team, Team Revolution, against Hell's own Team Torture.

Everyone in the bar CLAPS

One fight fan claps so hard that his eyeball falls out onto the floor and Adam picks it up and hands it back to him.

JIM GRIMLY (CONT'D)

Let's go now to our own Lewis and
Ray standing by with team
Revolution to get their thoughts on
tonight fights.

Lewis and Ray standing behind team Revolution with a camera crew.

LEWIS

(To Team revolution and
Richard)

Do you have anything to say to your
fans in hell?

The team is startled by them standing right behind them.

RICHARD

I've seen you before, at the last
fight show... at ringside, right?

LEWIS

That's right Richard, and boy was
that a close fight through most of
the first two rounds.

RICHARD

But, you're dead?

RAY

Dead, is such a miss-interpreted
word... so what's your point,
Richard? We're all un-dead in this
place it doesn't mean we can't
still follow sports, now does it?

RICHARD

I guess not.

LEWIS

Do you think your team is prepared
enough to meet team torture?

JOHN

We are prepared for anybody or
anything, hell we even brought
crosses.

LEWIS

No need to curse here John we are
all friends.

ROSS

We come prepared to fight, but if
Lucius brings out those damn
chickens again I'm going to bust a
cap in someone's ass.

LEWIS

What can I say; I think this team
revolution is here and ready to
fight, back to you Jim.

Large Demons escort team Revolution to the large door in the
rear of the bar.

When they open up the doors.

It becomes Hell's Arena with thousands of SCREAMING and
CHEERING un-dead and demon fans.

INT. HELLS- ARENA - CONTINUOUS

The two large demons walk them to their dressing rooms.

In the middle of the arena sits the cage with a banner that
reads (Soul Fest)

RICHARD

(He tells one of the
demons)

It's way too hot in here!

The Demons turn toward each other and LAUGH.

The team continues to follow the demons to another set of
doors.

The Demons motion for them to enter and they do.

INT. - HELLS-DRESSING ROOM - CONTINUOUS

In the room is the large heavy bag made of 3 bodies tied
together.

On the other side is Head hanging to be used as a speed bag.
The mat that is on the floor is made of skin sown together.

John walks over to the heavy bag and looks at it very
closely.

JOHN

If I didn't know better I would
swear it's made of human bodies.

John punches it.

THE HEAVY BAG MOANS

JOHN (CONT'D)

Did anyone else hear that?

All of the other team members shake their heads and answer
NO!

John hits the bag several times in a row.

HEAVY BAG

Wow, you hit hard, that really
hurt, could you please stop
throwing your left hook so hard?

JOHN

What the hell are you?

HEAVY BAG

We're your heavy bag, and I might
add when you throw your right
cross, you drop your left shoulder
just a little bit before you throw
it.

JOHN

You're a bunch of dead guys tied
together, why would I listen to
you?

HEAVY BAG

Lucius drops his left shoulder as
well. Also Lucky moves his hands
down to his waist when he thinks he
has you hurt.

JOHN

That's good to know, I'll keep that
in mind. Don't worry I won't punch
on you again.

John walks away to go get dressed.

Ross passes by him and starts to punch on the heavy bag.

JOHN (CONT'D)

No! Don't punch that bag!

ROSS

Why not?

JOHN
It's alive!

Ross takes a closer look at the heavy bag and can't believe his eyes.

Someone is YELLING as their head is constantly HITTING a hard platform surface.

Terek is busy on the speed bag (Head)

John and Ross walk over to Terek.

JOHN (CONT'D)
Stop for a second and take a close
look at the speed bag you're
punching.

CLOSE ON, The Head's eyes are still spinning a little, when they stop he winks at Terek.

TEREK
What the hell is this?

HEAD
My name when I was alive was Hitler
now I just go by head... by the way
I'm your biggest fan.

TEREK
You've seen me fight?

HEAD
Hell yeah, fighting is big down
here. The management prefers famine
and genocide, but the rest of us
like the fight game.

TEREK
I'm sorry I was punching you in the
face, is there anything I can do
for you?

HEAD
Yeah, give me your autograph.

TEREK
Okay sure,

Terek goes and gets a marker out of his bag. Then he can't figure out where to sign.

TEREK (CONT'D)

You don't have any arms, or body
for that matter.

HEAD

Just sign my forehead it will stay
on for at least 3 or 4 months.
Besides it will really piss Lucius
off.

Terek goes a head and signs head's forehead.

SUPER- 1 HOUR LATER

Ross returns after he has gone to weigh in, he throws his
towel in anger.

RICHARD

What the hell is wrong now? Maybe
that's a bad choice of words.
What's wrong?

ROSS

Can you believe it, I'm here in
hell about to have a cage match to
the death and the freaking Grim
Reaper is telling me, I'm 4 pounds
over weight!

RICHARD

There's a sauna right around the
corner.

Richard points to where it is at.

Ross then goes around the corner.

INT/EXT. HELLS - SAUNA - CONTINUOUS

Ross opens the door and looks around. There is a lot of steam
coming from the sauna room so he goes in.

Ross shadow boxes for a while and does a few jumping jacks in
there.

Ross then goes over and sits down against the wall.

INT. - HELLS - DRESSING ROOMS - CONTINUOUS

Terek comes in looking around.

ADAM

Who are you looking for?

TEREK

I was looking for Ross, he doesn't need to lose weight, I caught the Grim Reaper cheating by standing on the edge of the scales.

RICHARD

This is one crazy night, I was hoping to someday cheat death and here he is cheating us... Ross is in the sauna.

Richard points to where the sauna is. Terek goes looking for Ross.

INT/EXT. - HELLS - SAUNA - CONTINUOUS

When Terek peaks his head into the sauna a lot of steam comes out.

TEREK

Ross are you in there? Yo, Ross.

ROSS

I'm back here Terek, come on in.

Terek enters the sauna through a big cloud of steam.

TEREK

You don't need to be in here, they were cheating, your weight is fine.

Several people are sitting in the sauna beside Ross with their bodies and heads covered.

TEREK (CONT'D)

Did you hear me Ross?

ROSS

I heard you Terek; I was just sitting here listening to some great tips on losing weight.

SAUNA MAN, gets up and walks to the door and takes the towel off of his head to reveal not much more than a little bit of skin on a skeleton.

SAUNA MAN

Let me reassure you Ross, you
follow that diet I gave you and use
the sauna regularly it will give
you the figure you have always
wanted!

Sauna Man exits the sauna.

Ross and Terek look at each other and panic, running out of
the sauna.

Several Old skeletons pull off their head towels and look at
each other.

SKELETON

I don't know what that fat ass
thinks he knows about dieting,
hell, he has at least 3 or 4 pounds
of disgusting flabby skin on his
bones.

INT. - BAR - CONTINUOUS

Patty has just found her way in to the bar to search for Team
Revolution.

Mr. Smith sees her and quickly sends Demons to get her.

Patty sees them coming and tries to leave, but can't because
the demons have formed a circle around her.

PATTY

Back off Bitches! I got holy water!

Patty quickly pulls out a small bottle and shows the Demons.
They get scared and back away believing that it is holy
water.

MR SMITH

If someone doesn't grab her soon
I'm going to send you all to the
bottomless pit to clean toilets.

One demon tries to grab her; Patty reacts by trying to splash
holy water on him. When the water doesn't come out she hits
him in the head with the bottle and takes off running.

Patty is quickly restrained by the Demons while Mr. Smith
picks up the bottle of holy water.

MR SMITH (CONT'D)

(To Patty)

For Holy Water to work you have to take the lid off first. Do you have anymore little tricks up your sleeve?

PATTY

Just one, a hurts doughnut, come closer and I'll show you.

Mr. Smith in his arrogance gets in patty's face. She smiles and then knees him hard in the balls dropping him to the floor.

PATTY (CONT'D)

Yeah, it hurts don't it, asshole?

The Demons are all LAUGHING at Mr. Smith rolling on the floor in GREAT PAIN.

MR SMITH

(In Pain)

Tie her up and hang her on the wall of pain.

INT. - HELLS - ARENA - NIGHT

The room is smoky and hot and gets even hotter as the crowd begins to go crazy; steam is coming up from the floor in various places. The Grim Reaper makes his way into the cage.

REAPER

Now calling to the cage the newest member of team Torture "CRAZY Mike Myers!"

EXT. - HELL - CAGE - CONTINUOUS

Mike is coming to the cage somewhat depressed and not in his best form. The spot light follows him.

Lucius stops him before going into the cage.

LUCIUS

(To Mike)

If you lose this fight I will kill you over and over again for the next 100 years.

Mike swallows hard and enters the cage.

INT. - HELLS - CAGE - CONTINUOUS

Mike runs around to the CHEERS OF THE CROWD.

REAPER
Now, calling to the cage, The
PROPHET, Joshua!

The crowd becomes SCARED and SILENT. Several of the un-dead search for a place to hide.

EXT. - HELLS - CAGE - CONTINUOUS

Joshua's team members admire his chosen fight name.

TEREK
I like it!

Joshua runs to the cage in the spot light in a dead silence.

After putting on his Vaseline he does the sign of the cross on his chest causing many in the audience to faint.

Joshua smiles over at his team as he enters the cage.

INT. - HELLS - CAGE - CONTINUOUS

The Reaper looks over at both fighters to make sure they are ready.

REAPER
Let's dance!

SERIES OF SHOTS - MIKE AND JOSHUA'S FIGHT

A.) -- Mike hits Joshua with several jabs as Joshua tries to take him down to the mat.

B.) -- Joshua begins working on several good leg kicks to counter Mike's jab.

C.) -- Mike misses with the big right hand and Joshua takes him down with a nice double leg take down.

D.) -- Mike gets Joshua in the guard and they exchange strikes.

E.) -- Joshua cuts Mike badly with a big elbow on the eyebrow.

F.) -- The Reaper steps in to check the cut He licks the blood from the cut and lets the fight continue.

G.) -- Mike hits Joshua with a straight right and drops him to the canvas Mike follows him to the ground but Joshua reverses him and takes his back.

H.) -- After several seconds Mike taps out due to a rear naked choke.

INT. - HELL - CAGE - CONTINUOUS

As Mike is congratulating Joshua Lucius angrily storms into the cage.

Lucius takes the microphone from Reaper.

LUCIUS
(To Mike)
What in the hell was that?

Mike shrugs his shoulders.

LUCIUS (CONT'D)
Okay, so you don't want to fight well, I'm making changes to the rules right now! This crap is not going to stink up my hell.

EXT. - HELL - CAGE - CONTINUOUS

Terek and Richard are yelling a protest outside of the cage and continue as they enter the cage.

INT. - HELL - CAGE - CONTINUOUS

Terek and Richard are in Lucius's face protesting.

TEREK
We're leaving now!

LUCIUS
Ah, no! Mike cheated, and even though I do admire that in a person, he must pay.
(Looks at Mike)
You're dead, now go have a seat in the stands.

Mike collapses and falls to the ground dead.

His spirit leaves his body and goes out into the stands and sits down beside several crazy female demon fans.

They begin kissing on him with gross amounts of saliva and long tongues, one of them smiles and shows her rotten teeth.

TEREK

We had a deal!

LUCIUS

The deal is still on! There have just been a few changes.

RICHARD

How can we fight for Mike's soul when you have already killed him?

LUCIUS

You're not fighting for Mike's, your fighting for what's behind curtain number three. Tell them what they can win Mr. Reaper!

CURTAIN - CONTINUOUS

Reaper is standing in front of the curtain with his sickle and his hood over his face.

REAPER

Well Terek, it's very own girlfriend! That's right; she's ours for the torture. But if you act now you can spare her from certain death!

The curtain opens and Patty is tied up onto a torture device.

PATTY

(Very angry)

Let me down you assholes!

REAPER

Act now Terek, and we'll through in a bad attitude and a garbage mouth for free.

INT. - HELL - CAGE - CONTINUOUS

TEREK

No deal, she already has those.

LUCIUS
What if we poke her with a stick?

Terek tries to warn them.

TEREK
I wouldn't do that if I was you,
I'm just saying, I'm not the
violent one in our relationship.

CURTAIN - CONTINUOUS

A Troll comes running out with a stick and pokes Patty.

PATTY
Do, that one more time and I'll
knock your teeth out!

The troll LAUGHS it off and tries it again. This time she
kicks him in the face and knocks him unconscious.

INT. - HELL - CAGE - CONTINUOUS

Richard pulls out a small bottle of holy water and throws
some of the water on the two demons standing beside him in
the cage.

RICHARD
(To Terek)
Quick, go save Patty!

The Demons SCREAM OUT in severe pain and falls to the ground.
Everywhere the holy water has touched their skin it is now
boiling and smoking.

Richard then kicks and punches the two Demons on the ground.

Terek exits the cage and tries to rescue Patty, but is
stopped by several large Demons as he steps out of the cage.

CLOSE ON, The knocked out Troll sits up to reveal he is
missing his front teeth.

LUCIUS
(To Richard)
Old dude, do you have to be so
violent? You're cutting into my
spot light here, hello; you are
supposed to be good, I'm bad; good
verses evil. It's not evil verses
evil!

Richard throws his hands up and stops beating up on the Demons.

Several Demons walk Terek back into the cage.

The two Demons that Richard was beating now stand up and GROWLS at him.

Richard acts like he is going to hit them again and they cower and run out of the cage.

EXT. - HELL - CAGE SIDE - CONTINUOUS

Lewis and Ray are commentating at cage side.

RAY

That's one mean old man, I'm just glad I'm standing out here!

LEWIS

You got that right Ray; I think I would rather piss on three gremlins and wrestle a troll, than jump in the cage with him right now.

Terek pulls Richard away from fighting Lucius.

TEREK

(To Lucius)

What do you want?

LUCIUS

We finish what we started, just me and you, winner take all.

TEREK

Fine, let's do this!

They shake hands on it in the middle of the cage.

RICHARD

Are you sure about this, Terek?

Terek looks to his corner and a man (GOD) dressed in all white appears.

He has a smile on his face while shaking his head yes.

TEREK

Yeah, I'm sure .I think God might have my back in this fight.

RICHARD
That's good enough for me, now kick
his ass!

Reaper returns to the cage as Richard exits to corner Terek.
Reaper has a little fear of Richard as well.

Terek throws Richard his clothes over the cage and warms up
with a couple of stretches.

EXT. - HELL - CAGE - CONTINUOUS

(GOD) smiles and puts his hand on Richard's shoulder and
walks away.

Richard looks at him just as God disappears.

Richard gets ready for the start of the fight. John, Ross,
Joshua and Adam join Richard at the corner of the cage.

Reaper walks out to the center of the cage holding his
microphone.

REAPER
Now, for the main event that all of
hell has been waiting for,

THE AUDIENCE GOES CRAZY WITH CHEERS AND SCREAMS

REAPER (CONT'D)
In the red corner our beloved Dark
Lord, Son of the most wretched, the
epitome of evil, born of a jackal,
inventor of the fiscal cliff,
Lucius-ss!

THE AUDIENCE RESPONDS WITH A MILD GESTURE OF APPLAUSE-

Lucius struts and flexes his muscles, then stops to pose in
front of Terek, in hopes of scaring him.

REAPER
The challenger! He is no stranger
to the cage, he is ranked #1 by the
living and #1 by the un-dead!

Lucius looks surprised that Terek is ranked higher by his own
members of hell.

The crowd stands up and gives Terek a standing ovation.

REAPER (CONT'D)

With an impressive record of 28
wins and one no contest. He is
considered the best pound for pound
fighter in the universe!

(To Lucius)

He really is, I saw the polls.

Lucius is getting mad that Terek is getting more press by the
announcer.

REAPER (CONT'D)

He is none other than Terek,
The Samurai Killer, Matthews-SS!

The entire crowd is standing on their feet SCREAMING and
CHEERING.

Lucius looks at Terek with envy; Terek just shrugs his
shoulders and waves to the crowd.

EXT. - HELL - CAGE - CONTINUOUS

Lewis and Ray have Sauna man sitting beside them with his
headset on for an interview.

RAY

You were able to give Ross some
tips on dieting is that right?

SAUNA MAN

Absolutely, and I believe Terek may
have picked up a few pointers as
well.

LEWIS

What is your secret in cutting
those last few unwanted pounds?

SAUNA MAN

It's everything I mentioned earlier
as well as days and even weeks in
the sauna.

INT. - CROWD - CONTINUOUS

Skeleton is talking with several other skeletons.

SKELETON

He tones up a few tendons around
some bones, and now he thinks he's
the shit!

All the other skeletons are shaking their heads in agreement.

INT. - HELL - CAGE - CONTINUOUS

Terek is talking with Richard in his corner with his back turned to Lucius.

Lucius cheats by trying to attack Terek from behind.

When he shoots in Reaper YELLS

REAPER
Terek! Let's go!

Terek turns quickly catching a cheating Lucius with his elbow in the eye.

Lucius is almost KNOCKED out and lies on the ground holding his eye.

Terek feels Bad and tries to help Lucius up. Lucius PUSHES him away.

Suddenly, the lights go out and lightning announces the arrival of SATAN (Lucius's father)

The crowd hides their heads in fear.

Satan appears in the cage.

Satan grabs Lucius by the ear.

SATAN
Come here you idiot!

Satan takes Lucius to his corner.

SATAN (CONT'D)
Are you sure you can beat this stupid human?

LUCIUS
No problem dad, I can beat him with one hand tied behind my back.

SATAN
Get your mind off of sex and back on this fight.
(He thinks for a minute)

Satan walks over to Terek.

SATAN (CONT'D)
I want to re-negotiate the
particulars of this fight.

TEREK
No, when I kick your son's ass, I'm
leaving with Mike, my girl, and my
team.

SATAN
Let's not be hasty, I think we can
come up with an even better
arrangement. Let's say I throw in
20 of the hottest babes in hell.

CLOSE ON, Several ugly demon women stand up smiling with
their rotted teeth YELLING for Terek.

TEREK
Not a chance, I'm not getting
another rabies shot.

GOD whispers into Richard's ear.

RICHARD
Come here a second Terek.

Terek walks over to his corner.

TEREK
I'm a little busy right now Dad,
what is it?

Richard motions to Terek to bend down to hear him.

After a minute of hearing what God proposal is Terek returns
to talk with Satan with a new deal in mind.

TEREK (CONT'D)
Here's the only deal I'm interested
in, you can take it or we leave.

SATAN
Okay, give me your best shot.

TEREK
If Lucius wins, I stay here in this
place forever to train hell's M.M.A
team.

SATAN
I like that!

TEREK

But if I win, Mike goes free my
family goes free, and everyone
sitting in this arena is set free.

Everyone in the crowd goes CRAZY with EXCITEMENT.

INT. - CROWD - CONTINUOUS

Bob Martin is sitting beside his mother CRYING with JOY.

SATAN

Is that all?

TEREK

No, every time there is a challenge
match against hell for the freedom
of a soul I will be their champion.

SATAN

(Laughs)

This is better than I could have
ever imagined. It's a deal, but
with one more thing. If you lose
Richard must stay here as well to
help coach my boy's.

Terek turns and looks at Richard, who nods his head yes.

SATAN (CONT'D)

Good! I just happen to have the
contract drawn up already.

A large contract appears out of nowhere in Satan's hands.

SATAN (CONT'D)

Reaper, if you would do the honors.

Reaper cuts Terek's finger with his sickle and places the
blood on the contract, and then does the same with Lucius.

EXT. - HELL - CAGE - CONTINUOUS

Lewis and Ray are watching the sealing of the contract with
anticipation.

RAY

Wow, this is a monumental moment in
this place.

LEWIS

Now, the hard part is up to Terek.

RAY

Finally we get a chance again to be
free from our eternity in hell,
come on Terek!

Satan leaves the cage in order for the fight to start.

Satan stops to talk with Lewis and Ray when he exits the
cage.

SATAN

How are you doing boys?

RAY

We're ready for the fight of the
millennium, and so are all our
viewers.

SATAN

(To Lewis)

Lewis, let's go get something to
eat and talk about your future in
the company.

Lewis is reluctant to go.

LEWIS

You mean, right now?

SATAN

It's either talk with me now or
talk with me in 100 years from now
in the pit.

LEWIS

Oh, I get it; you want to talk
right now? Why did you just say so,
I'm all ears.

Ray WHISPERS to Lewis.

RAY

Don't bet our souls again, Terek is
going to win, and then we can go
home.

Lewis leaves with Satan

RAY (CONT'D)

Okay, ladies and gentlemen of hell
we are about to make history
tonight. Sit back and hang onto
your chairs this is going to be an
exorcism!

RICHARD
You can beat this poser, hell; you almost had him three times.

TEREK

He's as strong as three guys, did
you see him pick me up?

RICHARD

You get that armbar again and you
don't let go until he taps even if
you tear it off!

Even Lucius is having trouble breathing.

TEREK

What the hell did you eat?

LUCIUS
My bad, I ate a Gremlin protein
bar.

They are both struggling to hold their breath.

TEREK
When I say break, we break clean
and move this fight to the other
side of the cage, agreed?

Lucius shakes his head yes as he is still trying to hold his
breath.

TEREK (CONT'D)
Break!

They both stand up and quickly move to the other side of the

EXT. - HELL - CAGE - CONTINUOUS

Lewis and Ray are talking with Joshua.

LEWIS

Did you know you were going to cause such controversy with your fighter name - the Prophet Joshua?

JOSHUA

Of course! And with me being a Christian and all, I knew going in I wouldn't have a lot of fans down here.

RAY

After the way you preformed tonight I think that just might change.

JOSHUA

So, everyone here isn't evil?

LEWIS

No, the only real evil beings are the demons, most of us are what you can call people who, let's say rode the fence, sorta speak.

Joshua puts his hand out and shakes Lewis's hand within seconds it begins to smoke and burn.

LEWIS (CONT'D)

(In pain)

Screams!

Ray pulls his hand away when Joshua tries to shake it.

RAY

Thanks but, no thanks, maybe after this fight when I'm no longer a citizen of hell.

Terek is kneeling down next to his corner talking with Richard.

TEREK

He's hurt I think I can take him
now. I heard his arm break when he
wouldn't tap.

Richard looks over at Lucius corner. Lucius is moving his arms all around like nothing happened.

RICHARD

Don't look now, but somehow he
fixed it.

TEREK

Well shit, that sucks!

God walks up to the cage with Patty.

PATTY

Are you okay, baby?

(To God)

Any advice God?

GOD

You know who I am, good. Only the
pure in heart can see me you know?

TEREK

I kind of thought there was some
reason why they couldn't see you.

GOD

Fight with heart, spirit and
technique looking inward to your
inner man for strength, remembering
I have always been with you and I
will always be by your side.

(Smiles)

Terek stands up with a new found determination to win.

Reaper is now in the center of the cage spraying deodorizer
in the corner of the cage, as he gets ready for the final
round.

REAPER

Are you ready?

The people in the arena begin disappearing; some are waving to Terek while others are CRYING.

INT. HELL-CAGE - CONTINUOUS

RICHARD
(To Terek)
You okay?

TEREK
I'm cool,

SATAN

In three months you better be ready
because I will have an arena filled
with more losers for you to fight
for. That time you will be fighting
One Eye.

One eye is standing outside the cage flexing his muscles.

TEREK

(Confident)

I'll be here!

Satan disappears

LUCIUS

(Smiles)

That means a lot coming from you!

They shake hands

Lucius looks over at Lewis and Ray, who are filming him.

LUCIUS (CONT'D)

You better delete that or I will
rip off your faces, but first make
me a DVD of it.

together they exit the cage.

EXT. - HELL - CAGE - CONTINUOUS

Mike now in human form walks up to greet Terek as they come out of the cage.

MIKE

Can we ever be friends again?

TEREK

We never stopped being friends.

Mike puts out his hand for Terek to shake, but Terek hugs him instead.

RICHARD

Let's get out of here, this place
creeps me out.

They all agree as they head to the exit.

Ray and Lewis are ARGUING.

freedom.

Ray walks away heading to the arena doors.

LEWIS (CONT'D)

Where are you going?

RAY

Thanks to you, we still have to
provide commentary at the maggot

LEWIS

What's wrong with that? Some of
those little guys sure know how to
move when there is food around!

Ray continues to walk away disappointed as Lewis follows after him.

The End
